

SUMMARY

I am hard working, ambitious, motivated, with a strong desire to carry out my duties with pride and diligence and with a positive work attitude. I thrive on challenge as challenges impacts our daily growth, with self-driven attitude and a high level of written and oral communication skills and the ability to work well with people at all professional levels. I am eager to find a company which will help me harness my skills and passions so I can continue to grow and reach my goals.
